

Attention Students!

Want to Improve Your Math, Reading,
and Problem-Solving Skills?

Core Skills Mastery (CSM) is the answer!

CSM offers:

- Web-based instruction
- Next generation technology/pedagogy
- Fills in gaps, provides immediate boost to math and literacy
- Teaches advanced problem-solving and thinking skills
- Enhances independent learning
- Builds self-motivation, persistence, and confidence

Core Skills Mastery is now available to CGCC students enrolled in:

GED Classes

Pre-College Classes

ESOL Classes

Reading 90

Math 20

Math 60

Math 65

CSM is also effective for improving Compass test scores and improving academic skills for those who cannot attend scheduled classes.
