

## ADMINISTRATIVE RULE

Approval Date: 12/10/12  
Effective Date: 12/10/12  
Last Revised: 07/22/19

<b>Rule Number/Name:</b>	040.017.000 – Transfer and General Degree Requirements
<b>Responsible Department:</b>	Instructional Services
<b>Authority:</b>	Director of Curriculum, Assessment, Strategic Planning & Accreditation

### Overview

Identifies source of requirements for statewide transfer and general degrees.

### Applicability

Faculty and academic departments, Curriculum Committee, Curriculum Office, and Instructional Services staff

### Administrative Rule Statement

Requirements for statewide degrees are outlined in the Oregon Administrative Rules and further defined by the Higher Education Coordinating Commission (HECC) through the Department of Community Colleges and Workforce Development (CCWD) in their Community College Handbook. CGCC follows the current version of the handbook in establishing degree requirements, advising students and conferring degrees.

This administrative rule applies to the following statewide transfer and general degrees: AAOT, ASOT-BUS, ASOT-CS, AS, and AGS.

### Definitions

1. AAOT: Associate of Arts Oregon Transfer
2. ASOT-BUS: Associate of Science Oregon Transfer – Business
3. ASOT-CS: Associate of Science Oregon Transfer – Computer Science
4. AS: Associate of Science
5. AGS: Associate of General Studies

### Interpretation of Administrative Rule

Director of Curriculum, Assessment, Strategic Planning & Accreditation

### Cross Reference to Related Administrative Rules

none
