**Articulation Agreement between Eastern Oregon University's  
Business Administration Major  
and  
Columbia Gorge Community College's  
Business Program**

The parties to this Articulation Agreement are COLUMBIA GORGE COMMUNITY COLLEGE, 400 E Scenic Dr, The Dalles, OR 97058, hereinafter referred to as "CGCC" and the State of Oregon acting by and through the State Board of Higher Education on behalf of EASTERN OREGON UNIVERSITY, 1 University Blvd, La Grande, OR 97850, hereinafter referred to as "EOU."

**Business Administration Bachelor of Science Degree**

Eastern Oregon University's Bachelor of Science in Business Administration is a program designed to give students a strong theoretical background in business administration. This program is designed to prepare students for graduate school and provides a theoretical framework of the business discipline with intensive education and practical experience in a concentration area. The concentrations offered in the Bachelor of Science in Business Administration degree at EOU are: leadership, organization and management, marketing, accounting, and general business. This degree program is offered on the EOU campus, online, and in Gresham Oregon.

To earn an EOU baccalaureate degree, students must complete the university graduation requirements and the program requirements as outlined for each specific major. A complete checklist for EOU's Business Administration Degree can be downloaded from: <https://www.eou.edu/cobe/business/bs/>

Specific program content will be reviewed annually, and curriculum changes by either institution must be communicated to the partner institution in writing no later than June 30<sup>th</sup> of each academic year.

Each partner assumes responsibility for informing their students of curricular revisions that would impact student planning and/or degree completion. In event that the graduation requirements for a Bachelor's degree with the Business Administration Major from EOU change within the term of this agreement, the standards and practices that have been established by EOU to cover such a change will apply to articulating students.

Either party may terminate or suspend this Agreement for convenience upon six (6) months written notice; provided, however, that the parties shall discuss and reasonably attempt to resolve the issues that led to the notice of termination or suspension during the sixty (60) day period. Notwithstanding the termination of this Agreement, any students

who have applied for transfer from CGCC to EOU prior to or during the six (6) month period shall be treated as if this Agreement continues to be in effect.

Admission to EOU is not guaranteed. Students shall apply for admission to EOU in accordance with the then-existing rules, policies, and procedures of EOU.

This agreement constitutes the entire agreement between the parties. No waiver, consent, modification or change of terms of this agreement shall bind either part unless in writing and signed by both parties. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. There are no understandings, agreements or representations, oral or written, not specified herein regarding this agreement.
