

# ASSOCIATE OF GENERAL STUDIES DEGREE- AGS (90 Credit Hours)

2018-2019

The Associate of General Studies Degree (AGS) is designed for students wishing to acquire a broad education rather than pursuing a specific college major or career program. Coursework may include a variety of technical and college transfer courses. Because of the flexibility of this degree, it may not fulfill requirements for transfer to a four-year institution. Students are responsible for checking with the college of their choice if transferability is desired. Degree candidates must complete at least 90 transferable credit hours.
