CGCC Nursing Program Joins Oregon Consortium for Nursing Education (OCNE):

For Fall 2018, the Nursing Program at CGCC will transition to the statewide curriculum used by OCNE partner schools (<http://www.ocne.org/>) and the Oregon Health & Science University schools of nursing. (<http://www.ohsu.edu/xd/education/schools/school-of-nursing/programs/undergraduate/index.cfm>)

Beginning with the Fall 2018 entry application, students will need to meet the new OCNE prerequisite requirements, which most students will need a year or more to complete. The application deadline for Fall 2018 entry is in February 2018 (see details in the Program Application). Students anticipating entry into the 2018 Nursing cohort and currently in the process of obtaining the Nursing Program prerequisites should make an appointment with a CGCC advisor to have their transcripts evaluated for what courses will be required.

Comprehensive Degree Requirements & Limitations:

- All candidates must earn a minimum of 90 credits which count toward an associate degree.
- Credit courses numbered below 100 cannot be used to fulfill the 90 credit minimum requirement for any degrees.
- All candidates for a degree must have at least a 2.0 minimum cumulative grade point average ("C" average).
- All degree candidates must accumulate at least 30 credits of satisfactory work at CGCC to establish residency. Nontraditional credit, credit transferred from another institution or challenge credit may not be used to establish residency. 24 of the credits earned at CGCC must apply to the specific associate degree requirements the student is pursuing.
- Transfer credits accepted for letter grade C- or better. Transfer grades of "pass" accepted if no letter grade required
- A maximum of 3 credits of physical education (PE) courses may be used as electives.
- Credit courses with passing grades may only be applied once in meeting a degree or certificate requirement (unless approved to be repeated). In addition, repeated courses are only counted once in accumulated hour and point totals.
- No more than 12 credits of Cooperative Education courses may be used.
- No more than 9 credits of experimental courses can be used (course numbers 199-199Z and 299-299Z).
- A maximum of 24 credits of "P" (pass) grades will apply to degree.
- No Management/Supervisory Development workshops will apply.
