

## **4020 – Program, Curriculum, and Course Development**

CGCC strives to provide a diverse range of credit and non-credit academic programs to meet the educational and workforce needs of its service area.

### **Credit Programs**

CGCC follows all applicable state, national, Northwest Commission on Colleges and Universities (NWCCU), and other related accrediting bodies' guidelines in establishing degree and certificate requirements.

### **Non-Credit Programs**

CGCC offers non-credit programs in accordance with Oregon adult basic skills provider certification and other related accrediting bodies' guidelines.
