

4260 – Prerequisites, Co-requisites, and Advisories

The Vice President of Instructional Services, in consulting with faculty, is authorized to establish pre-requisites, co-requisites, and advisories on recommended preparation for courses in the curriculum. Any pre-requisites, co-requisites, and advisories shall be necessary and appropriate for achieving the purpose for which they are established. The procedures shall include a way in which a student may challenge a pre-requisite or co-requisites on grounds permitted by law. Pre-requisites, co-requisites, and advisories shall be identified in the Columbia Gorge Community College publications available to students.
