

5052 – Open Enrollment

All courses, course sections, and classes of Columbia Gorge Community College shall be open for enrollment to any person who has been admitted to Columbia Gorge Community College. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites, co-requisites, or due to other practical considerations, such as special enrollment agreements in cooperation with various school districts and an enrollment request process for students not meeting the guidelines in BP 5010.
