

# Winter Training Opportunities

## TRAINING UPDATES

### Recognizing and Reporting Child Abuse and Neglect (RRCAN) Training

Did you know that licensing rules allow all child care staff to retake the RRCAN training and learn ongoing training credit in the Health, Safety, and Nutrition (HSN) category?

Certified Child Care Centers, Certified School-Age Centers, and Certified Family Child Care programs: You can retake this training every three years. It provides two hours of training credit and meets HSN requirements.

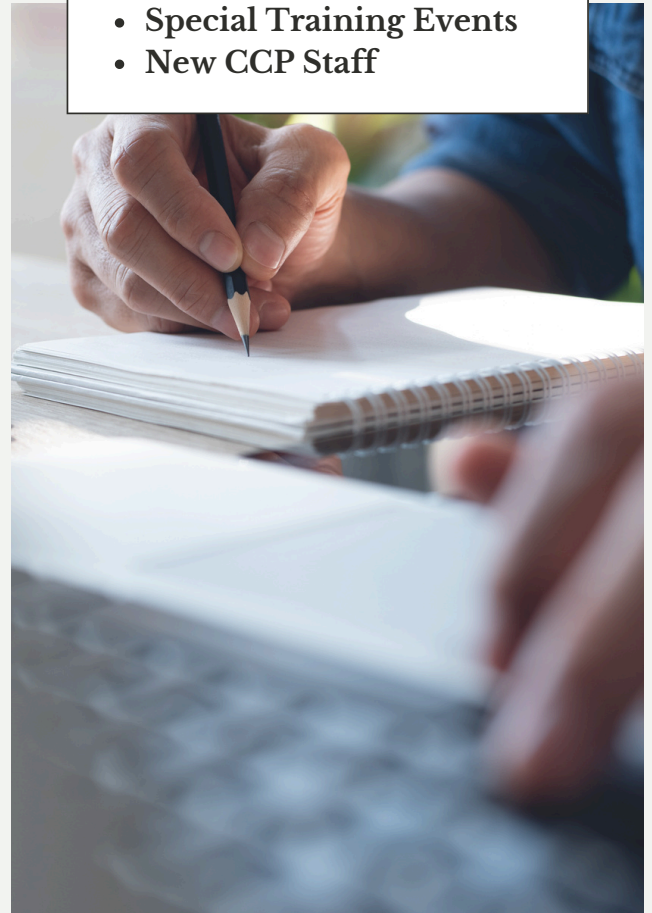

**Registered Family Child Care Providers:** You can retake this training every five years (until July 1, 2025, when it switches to every three years). This will provide you with two hours of training credit, meets the HSN requirement and will be included in the licensing period that you completed it in.

The training is free, available online at Learning with OCCD, and offered in multiple languages: English, Spanish, Russian, Vietnamese, and Chinese.

Take the Training Here:  
<https://occd.educadium.com/>

### WHAT'S IN THIS MONTH'S ISSUE:

- Upcoming Trainings
- Special Training Events
- New CCP Staff

### Take a Training with First Children's Finance

# Introducing New Staff

JOIN US IN WELCOMING...

**Lisa O'Connor, our new Preschool Promise Lead Coach!**

Hi everyone, I'm Lisa. I am so happy to be a part of Child Care Partners as their new PSP Coach.

I recently came from a position as a Site Manager of a small preschool, and prior to that have about 8 years of teaching experience. As much as I love teaching the littles, I found as I became Site Manager, and had 2 new staff to train, that I enjoyed coaching and teaching adults even more.

Fun fact about me, I have 2 giant Newfoundland dogs! Our first one was such a breeze to train, I may have had a slip in my senses and got a second last April, and let me tell you, she is the wild child. Almost 400 pounds of dog is definitely an experience.

Again, I want to say how happy I am to be on board and am eager to meet everyone.

**June Rodriguez Sanchez, Administrative Assistant**

Hello again! I am so excited to be back and a part of the team with Child Care Partners. I am looking forward to continuing to help our amazing child care providers in the community.

As you may know I have some banking and medical office work experience but I belong right here in Early Childhood Education, especially now as a mother of two little one's.

I have an almost 3yr old and a 15 month old. I love to bake and cook, lately I've been into seeing how many pantry and grocery staples I can make at home from scratch instead of buying it at the grocery store.

If you are ever needing assistance or have questions, please feel free to email or leave me a voicemail, even if it's just to say hello or to share a recipe! :)
