### Reminder of Winter Closures..

As we enter the Winter months and the weather conditions worsen, Child Care Partners (CCP) may be closing it's doors due to the inclement weather conditions. CCP works hard to keep staff who are traveling to and from work safe, this is why we do not work during closures. CCP is housed at Columbia Gorge Community College, as a reminder, if CGCC is closed, then CCP is also closed. We will try to post on our Facebook page our closures as soon as we can. So please be attentive to the closures. We encourage you to email us or call and leave voicemails at our phone numbers if you are in need of support or assistance.

In the case that we are closed, we can always give you a call back or respond to your email on the next working business day. We hope everyone stays safe and warm this Winter, but also, enjoy the beautiful weather we get once a year! -CCP Team

### THE OREGON CENTER FOR CAREER DEVELOPMENT (OCCD) HAS TRANSITIONED THEIR LEARNING MANAGEMENT SYSTEM!

Educadium, which houses the "Learning with OCCD" online training, has moved to a new platform, Canvas beginning December 2nd, 2025 and available at <https://catalog.pdx.edu/browse/occd>.

The training modules on this platform are the same trainings that were posted on the former LMS. If you have completed any of these trainings, you do not need to retake the trainings, or create an account on the new platform.
