How Much Should I Borrow?

CGCC participates in the federally sponsored Direct Loan (William D. Ford Federal Direct Loan) Program which offers student loans through the federal government. When you request a Federal Direct Loan at CGCC, you will borrow from the federal government and receive funds directly through CGCC. The U.S. Department of Education offers eligible students Direct Subsidized and Unsubsidized Loans (with an annual maximum – see Step 1) to help cover the cost of higher education at a four-year college or university, community college, or trade, career, or technical school.

CGCC recommends that you thoughtfully consider how much you will need in order to meet your expenses while enrolled in school at least half-time. Review steps 1 – 3 to assist you in determining how much loan money you will qualify for and how much you may need for the year. **Do not take more than you need. You do not need to accept all the money that you qualify for. A loan is not free money; it must be repaid with interest when you graduate or drop below half-time enrollment or stop attending.**

Step 1 - Review the maximum Annual Loan Limits at CGCC

	1 st Year < or = 45 qualifying credits	2 nd Year > or = 46 qualifying credits
Dependent	\$5,500 (\$3500 may be Subsidized)	\$6,500 (\$4500 may be Subsidized)
Independent	\$9,500 (\$3500 may be Subsidized)	\$10,500 (\$4500 may be Subsidized)

* Students are considered second year when the student has acquired 45 credits of 100 or 200 level credits with a grade of A, B, C, D or Pass. All others, such as repeated credits, incompletes, audits, and credits from another college which have not been transferred to your CGCC transcript are not counted.

Step 2 - Know your Annual Student Budget

Student Budget (Annual Amounts)	Fill in Estimated Amounts From Your Award Letter
Cost of Attendance	\$
Grant Aid (Pell, SEOG, OOG)	- \$
Resources (scholarships, agency payments, waivers)	- \$
Annual Income from Work or Assistance	- \$
Estimated Need	= \$

Step 3 - Know Your Loan Types

Subsidized Loans – available to undergraduate students with financial need. The Department of Education pays the interest while you're in school at least half-time until you go into repayment, or if you finish your program but continue beyond the Maximum Eligibility Period (MEP), or you don't finish your program but then change majors. Once a student reaches their MEP, any loans certified moving forward will be Unsubsidized and all Subsidized loans borrowed will lose their subsidy from that point forward.

Unsubsidized Loans – available to undergraduate students regardless of financial need. You are responsible for paying the interest during all periods of the loan.

2020/2021

Complete Loan Counseling

To receive loans you must log into your account at www.studentaid.gov and complete the Entrance Counseling and the Master Promissory Note (once every 10 years) requirements. CGCC will electronically receive notification that you have completed these two requirements. Once this is done and you submit the Federal Direct Loan Request Form, the financial aid office will review your eligibility and package your loan(s). **You can expect the loan process to take approximately two weeks from start to finish.**

- 1. Entrance Counseling** – For students borrowing federal subsidized and/or unsubsidized student loans. During entrance counseling you will learn what a Direct Loan is and how the process works, how to manage your educational expenses and your rights and responsibilities as a borrower.
 - a. Log into your account on www.studentaid.gov and click on “**Complete Aid Process**” and then “**Complete Entrance Counseling.**”
 - b. Once submitted, print confirmation for your records. CGCC will receive electronic notification of completion, however, you may want to email financialaid@cgcc.edu to expedite the process.

- 2. Master Promissory Note (MPN)** – A legal document you sign in which you promise to repay your loans and any accrued interest to the US Department of Education. The MPN explains the terms and conditions of your loan(s).
 - a. Log into your account on www.studentaid.gov and click on “**Complete Aid Process**” and then “**MPN for Undergraduates.**”
 - b. Be sure to fill out the **Undergrad Master Promissory Note for Subsidized/Unsubsidized loans.**
 - c. Once submitted, print confirmation for your records. CGCC will receive electronic notification of completion, however, you may want to email financialaid@cgcc.edu to expedite the process.

- 3. Exit Counseling** – CGCC will request that you complete Exit counseling if you skip a term or attend less than 6 credits in a term. **You do not need to complete Exit Counseling until you graduate or stop going to school.** Exit Counseling is required for all students who have received loans at CGCC. Holds may be placed on your records, transcripts, and access to other services until the session is completed.
 - a. Log into your account on www.studentaid.gov and click on “**Manage Loans**” and then “**Complete Exit Counseling.**”
 - b. Once submitted, print confirmation for your records. CGCC will receive electronic notification of completion.

- 1 To be eligible, you must:**
 * Be enrolled in 6 or more credits each term * Not owe a repayment on an over-award
 * Not be in default on a Federal Direct Loan * Not have exceeded the aggregate loan limit (see www.nsls.ed.gov)
- 2 If your loans are canceled for any reason (e.g., non-enrollment prior to start of term, disqualification, etc.) during the year, you must reapply to get them reinstated.**
- 3 Federal regulation requires loan funds to be divided into separate disbursements, one disbursement for each payment period. CGCC's policy is to divide the loan equally up to 1/3 of the total per term. We will exhaust all Subsidized loan eligibility before awarding Unsubsidized loans. (See back for details)**

Notes for Federal Direct Loan Request Form

Loan Origination Fee: 1.057%

The actual amount you receive will be slightly less than the awarded amount. *(fee subject to change)*

Interest Rates

The interest rate for all new or existing Direct Subsidized or Unsubsidized loans with a first disbursement date of July 1, 2020 will be 2.75%. *(rate subject to change)*

Second Year Level

Students are considered “second year” when the student has acquired 45 successfully completed 100 or 200 level credits. Repeated credits, incompletes, audits, and credits from another college which haven’t been transferred to your CGCC transcript are not counted. A student reaching “second year” can be considered for higher loan funding. If the second year is reached during the award year, the student must submit a Direct Loan Revision Form to request the higher loan amount.

First Time Loan Borrowers / 30-Day Delay

Under the Federal Direct Loan program, if you are a first-time loan borrower you must wait 30 days (from the start of the term) for your first loan disbursement. Your funds will disburse the week following the dates listed below.

Single Term Loan Borrowers

Single-term borrowers must have their disbursement split in two equal parts. The first disbursement occurs with the first regular disbursements (except first-time borrowers) and the second disbursement happening at the 50% point of the term. See table below for dates.

Loan Types

Subsidized Loans – available to undergraduate students with financial need. The Department of Education pays the interest while you’re in school at least half-time until you go into repayment, or if you finish your program but continue beyond the Maximum Eligibility Period (MEP), or you don’t finish your program but then change majors. Once a student reaches their MEP, any loans certified going forward will be Unsubsidized and all Subsidized loans borrowed will lose their subsidy from that point forward.

Unsubsidized Loans – available to undergraduate students regardless of financial need. You are responsible for paying the interest during all periods of the loan.

Please Note: Loan disbursements scheduled after the first payment each term are subject to the Business Office payment schedule. The Business Office issues disbursement checks twice weekly on Tuesdays and Thursdays after the second week of each term.
