You stated on your FAFSA application that since you turned age 13, you were in foster care, both your parents are deceased, or that you are (or were until age 18) a Ward of the Court. All other questions for Step Three of your FAFSA were answered "No." Please provide the information by completing the following and providing documentation.

Both of my parents are deceased.

Documentation: Please submit a signed statement listing the names of your deceased birth/adopted parents and their Death Certificates.

I was in foster care or was a Ward of the Court for a reason other than juvenile misbehavior.

Documentation: Please submit DHS/court documentation showing status and dates.

These statuses do not apply to me. Please correct my FAFSA for me.
