Reflect on your assessment results and provide analysis, considering what contributes to student success and/or lack of success. Include feedback from student course evaluations as appropriate. *

Students were successful. Comments posted by students in their course evaluations show their ability to put course concepts into practice:

I have a better understanding of what makes a good manager and how to implement different leadership/management techniques when I am working in my future employment.

I know how [important it is to use] the proper vocabulary to put into words an idea regarding business management terms. This will help me be seen as more professional and knowledgeable.

Based on your analysis in the questions above, what course adjustments are warranted (curricular, pedagogical, etc.)? *

No course adjustments needed.

What resources would be required to implement your recommended course adjustments (materials, training, equipment, etc.)? What Budget implications result? *

None

Were your assessment methods accurate indicators of student learning? Why or why not? Any additional comments?

Yes, assessment methods were accurate.

(OPTIONAL) Reflect on any adjustments you made from the last assessment of this course and their effectiveness in student achievement of outcomes?
