HST 101 – Shwiff

Outcome #1 *

Articulate an understanding of key events in the history of the ancient world and early medieval Europe and use critical thinking in order to evaluate historical changes and their impact on western civilization.

Outcome #2 *

Recognize the different groups that interacted in the ancient world and early medieval Europe in order to evaluate and appreciate their historical contributions to western civilization.

Outcome #3 *

Identify the influence of culturally based practices, values, and beliefs to assess how historically defined meanings of difference affect human behavior.
