

Course Assessment – Part A: Your Plan

#52

Your Email *	jburkhart@cgcc.edu
Please select your course & name from the list. Contact Instructional Services if your course or name are incorrect or missing	MP 111 – Burkhart
Outcome #1 *	Express and apply suffixes, roots and prefixes as they relate to medical terminology and healthcare professions.
Outcome #2 *	Interpret and create written documentation concerning patient care.
Outcome #3 *	Communicate with healthcare professionals utilizing proper medical terminology.
Have you completed an assessment for this course prior to this term?	Yes
If yes, are you assessing different outcomes?	Yes
Comments:	The third outcome of this assessment wasn't part of my curriculum at the time, as it is now.
2. To which degree, certificate or program outcomes do these course outcomes map? Degree, Certificate & Program Outcomes can be found at: http://www.cgcc.edu/curriculum/program-outcomes	<ul style="list-style-type: none"> • Associate of Arts Oregon Transfer • Associate of Science • Associate of General Studies • Associate of Applied Science in Nursing (RN) • Basic Healthcare Informatics Assistant Certificate • Emergency Medical Services Certificate
Outcome #1 Method to assess student understanding *	Weekly quizzes will take place that will ascertain a learner's understanding of the roots, prefixes and suffixes.
Outcome #2 Method to assess student understanding *	Three written papers are required for this course, along with one additional extra credit research paper option.
Outcome #3 Method to assess student understanding *	The final paper requires the learner to reach out to a local healthcare professional. The learner then creates a paper incorporating the questions and answers.
4. How will you know if you were successful in your efforts to teach this outcome?	50% or higher of the learners will achieve a "C" average or higher on the quiz totals.
Outcome #1 *	

How will you know if you were successful in your efforts to teach this outcome?

50% or greater learners will write the papers using correct medical terminology and grammar, after the final submission of the paper.

Outcome #2 *

How will you know if you were successful in your efforts to teach this outcome?

Each learner will communicate with a local healthcare professional and discover the greatest take-away from the interview.

Outcome #3 *

#1

Did you participate in the optional extra credit live chats?

#2

What could be done to make the live chats more accessible?

Do you require the names of students who complete the course evaluation survey? *

- No
