Please select your course & name from the list. Contact Instructional Services if your course or name are incorrect or missing

NUR 110 – Johnston/Stager

Outcome #1 *

As Provider of Care: Use the nursing process to collect and organize client/patient data at a beginning level in the long-term care setting.

Outcome #2 *

As Communicator: Communicate with patients using professional and therapeutic communication techniques in the long-term care setting.

Outcome #3 *

As Manager of Care: Apply basic nursing care for one to two clients/patients in the long-term care setting, utilizing physiological, psychological, sociocultural, developmental, and spiritual principles.

Have you completed an assessment for this course prior to this term?

Yes

If yes, are you assessing different outcomes?

No

Comments:

This is the second course assessment for the college. If results are similar to the first we may assess a different outcome in the subsequent assessment.

2. To which degree, certificate or program outcomes do these course outcomes map? Degree, Certificate & Program Outcomes can be found at:
<http://www.cgcc.edu/curriculum/program-outcomes>

- Practical Nurse Certificate (LPN)

Outcome #1 Method to assess student understanding *

a. Provider Outcome 1 will be assessed by successful completion of the Provider of Care section on the clinical Performance Based Outcome Tool (PBO). Successful completion would entail “satisfactory” ratings on required PBOs, and no “unsatisfactory” ratings on any PBOs.

Outcome #2 Method to assess student understanding *

b. Communicator Outcome 2 will be assessed by successful completion of the Communicator section on the clinical Performance Based Outcome Tool (PBO). Successful completion would entail “satisfactory” ratings on required PBOs, and no “unsatisfactory” ratings on any PBOs.

Outcome #3 Method to assess student understanding *

c. Manager of Care Outcome 3 will be assessed by successful completion of the Manager of Care section on the clinical Performance Based Outcome Tool (PBO). Successful completion would entail “satisfactory” ratings on required PBOs, and no “unsatisfactory” ratings on any PBOs.

4. How will you know if you were successful in your efforts to teach this outcome?

a. Outcome 1: 80% of students will successfully complete the Provider of Care section of the Performance Based Outcome tool (PBO) as described above.

Outcome #1 *

How will you know if you were successful in your efforts to teach this outcome?

b. Outcome 2: 80% of students will successfully complete the Communicator section of the Performance Based Outcome tool (PBO) as described above.

Outcome #2 *

How will you know if you were successful in your efforts to teach this outcome?

c. Outcome 3: 80% of students will successfully complete the Manager of Care section of the Performance Based Outcome tool (PBO) as described above.

Outcome #3 *

#1

5) The Alternative Clinical Experience (ACE) “The Cognitively Impaired Elderly Client” improved my understanding of causes and impact of dementia and delirium on the elderly client. (Please place on a likert scale and include a space for comments)

#2

6) The assigned text, “Before My Eyes: A Daughter’s Personal Journey with her Mother into Alzheimer’s Disease” assisted me in understanding the impact of dementia on the affected individual and family caregivers. (Please place on a likert scale an

Do you require the names of students who complete the course evaluation survey? *

- No
