ANALYSIS

3. What contributed to student success and/or lack of success? *

Success: dedication to meeting instructor's high expectations.
Lack of Success: student disorganization, inability to manage study time, lack of dedication to study

4. Helping students to realistically self-assess and reflect on their understanding and progress encourages students to take responsibility for their own learning. Consider comparing your students' perception of their end-of-term understanding/mastery of the three outcomes (found in student evaluations) to your assessment (above) of student achievement of the three outcomes. *

I am pleased with students' perceptions of their end-of-term understanding/mastery of the three outcomes.

5. Did student achievement of outcomes meet your expectations for successfully teaching to each outcome (question 4 from Part A) *

Yes

6. Based on your analysis in the questions above, what course adjustments are

I introduced a new assignment this term. I required 10 Article Reviews. Next time I teach the class I'll require one Article Review EACH WEEK

warranted (curricular, pedagogical, student instruction, etc.)? * instead of 10 during the term.

7. What resources would be required to implement your recommended course adjustments (materials, training, equipment, etc.)? What Budget implications result? * None

8. Were your assessment methods accurate indicators of student learning? Why or why not? Any additional comments? * Yes.

(OPTIONAL) Reflect on any adjustments you made from the last assessment of this course and their effectiveness in student achievement of outcomes?
