MP 150 – Introduction to Electronic Health Records – Miriam Pentz – Spring 2017

Part A: Your Plan
[Directions](#)

Understand and use an Electronic Health Record (EHR) in a medical office.

1. Choose three of your course outcomes to assess and report on this term (these will also be used in your Student Course Evaluation survey):

Outcome #1 *

Outcome #2 *

Apply federal and state regulations and policies to facilitate EHR utilization in the Health Services industry.

Outcome #3 *

Analyze trends in EHR data and utilization to improve patient care and population health.

Have you completed an assessment for this course prior to this term?

Yes

If yes, are you assessing different outcomes?

Yes

Comments:

outcome for the course have been changed/updated

2. To which degree, certificate or program outcomes do these course outcomes map?
[Degree, Certificate, & Program Outcomes](#)

- Medical Assisting Certificate

Method of Assessment

passing the course as well as having an average grade of 80 or higher in all MEDCIN exercises.

3. What methods will be used to assess individual student understanding of each of these outcomes? (Please be specific.)

Outcome #1: Method to assess student understanding *

Outcome #2: Method to assess student understanding *

chapter tests 1 and 10 cover privacy laws, regulations, and government laws. Test on these chapters will attest to student comprehension with at least a 90% of students getting a passing grade or higher.

Outcome #3: Method to assess student understanding *

Exercises and tests relating to trend analyze will attest to student comprehension with at least a 90% of students getting a passing grade or higher.

4. How will you know if you were successful in your efforts to teach this outcome?

passing the course as well as having an average grade of 80 or higher in all MEDCIN exercises.

Outcome #1: *

Outcome #2: How will you know if you were successful in your efforts to teach this outcome? * 90% of students getting a passing grade or higher on chapter tests 1 and 10

Outcome #3: How will you know if you were successful in your efforts to teach this outcome? * 90% of students getting a passing grade or higher on Final exam with anotations

5. Instructor Questions: Create two course specific questions to be included on the Student Course Evaluation. Question #1 Was the timeline and break points used on Moodle effective?

Question #2 Were the instructions clear on expectations for each Exercise?

Do you require the names of students who complete the course evaluation survey? *

- No
