PSY 214 – Intro to Personality – Fegel – Summer 2016

Part A: Your Plan

Analyze the determinants of personality characteristics to better understand their effects on cognitions, emotions, and behavior.

1. Choose three of your course outcomes to assess and report on this term (these will also be used in your Student Course Evaluation survey):

Outcome #1 *

Outcome #2 *

Think critically about and apply theoretical and research based explanations for human behavior in order to successfully negotiate the challenges of daily living.

Outcome #3 *

Apply the major personality domains and theories to better understand one's own behavior and the behavior of others.

Have you completed an assessment for this course prior to this term?

Yes

If yes, are you assessing different outcomes?

Yes

Comments:

2. To which degree, certificate or program outcomes do these course outcomes map? Degree, Certificate & Program Outcomes can be found at:
<http://www.cgcc.edu/curriculum/program-outcomes>

- Associate of General Studies

Method of Assessment

Students will review case studies and research methodology. They will present an oral and written paper regarding the theories of personality.

3. What methods will be used to assess individual student understanding of each of these outcomes? (Please be specific.)

Outcome #1 Method to assess student understanding *

Outcome #2 Method to assess student understanding *

Students will participate in weekly research groups. They will be required to submit written documentation of the research findings, including data collection.

Outcome #3 Method to assess student understanding *

Students will keep a journal requiring an analysis of their own behaviors and the behavior of others. They will also be involved in group discussions regarding human behavior and apply this to research and prescribed data.

4. How will you know if you were successful in your efforts to teach this outcome?

80% of the students will receive a grade of a B or above on their oral and written reports.

Outcome #1 *

How will you know if you were successful in your efforts to teach this outcome?	80% of the students will demonstrate an understanding of personality theories and demonstrate this via oral reports and written assignments.
---	--

Outcome #2 *

How will you know if you were successful in your efforts to teach this outcome?	Students journal will reflect their personal skills assessments of personality theory. They will also demonstrate the ability to self-evaluate. This will also create a written description of their ability to utilize academic content and the evaluation of their own behaviors and others.
---	--

Outcome #3 *

#1	How will you use the class info. in your future career?
----	---

#2	How will you use the course information in your life?
----	---

Do you require the names of students who complete the course evaluation survey? *	• No
