PSY 216 – Social Psychology – Fegel – Fall 2016

Part A: Your Plan
[Directions](#)

Apply an understanding of the impact of social and cultural forces on one's sense of self, values, and beliefs to more effectively analyze human thinking and behaviors.

1. Choose three of your course outcomes to assess and report on this term (these will also be used in your Student Course Evaluation survey):

Outcome #1 *

Outcome #2 *

Critically evaluate research to understand and explain confusing, conflicting or distressing human social behavior.

Outcome #3 *

Relate social psychological concepts and theories to the context of historic and current world, national, and local events, as well as to understanding one's own life experiences.

Have you completed an assessment for this course prior to this term? Yes

If yes, are you assessing different outcomes? Yes

Comments:

2. To which degree, certificate or program outcomes do these course outcomes map?
[Degree, Certificate, & Program Outcomes](#)

- TRANSFER AND GENERAL DEGREES

Method of Assessment

Student's will participate in research projects that explore cultural diversity and personal values and cultural norms. They will give oral and written reports on these issues.

3. What methods will be used to assess individual student understanding of each of these outcomes? (Please be specific.)

Outcome #1: Method to assess student understanding *

Outcome #2: Method to assess student understanding *

Students will review films, class presentations and develop research and documentation of conflictual human social behavior via attending weekly research and data collection work groups. Students will give oral and written presentation on a weekly basis.

Outcome #3: Method to assess student understanding *

Students will create a journal of personal reflections based on class presentations, guest speakers, research and their own personal assessments of the material. A final written overview of these findings will be required. Their journals will require approximately 15 entries.

4. How will you know if you were successful in your efforts to teach this outcome?

Student's will achieve an outcome of 75% on receiving a grade of B or above on their research presentations.

Outcome #1: *

Outcome #2: How will you know if you were successful in your efforts to teach this outcome? *

Weekly research and data collection of written assignments based on social psychological concepts and theories will be at the rate of 75% of student's will receive a grade of B or above.

Outcome #3: How will you know if you were successful in your efforts to teach this outcome? *

Student's journals will contain a personal and academic synopsis of academic theories and personal values. They will be required to submit 20 entries and a written evaluation of their findings. 75% of students will receive a grade of B or above.

5. Instructor Questions

How will you use these concepts in your own life?

Create two course specific questions to be included on the Student Course Evaluation.

#1

#2

How will this course assist you in your own careers?

Do you require the names of students who complete the course evaluation survey? *

- No
