EMS 105 – EMT Part I – 1091656 – Van Laar – Fall 2017

Part A: Your Plan

[Directions](#)

Identify and use equipment needed to assess and care for the sick or injured patient at a novice EMT level.

1. Choose three of your course outcomes to assess and report on this term (these will also be used in your Student Course Evaluation survey):

Outcome #1 *

Outcome #2 *

Assess patients at a novice EMT level.

Outcome #3 *

Perform appropriate interventions at a novice EMT level that may be needed to help the sick or injured patient based on information collected.

Have you completed an assessment for this course prior to this term?

Yes

If yes, are you assessing different outcomes?

Yes

Comments:

2. To which degree(s) or certificate(s) does your course map?

[Degree, Certificate, & Program Outcomes](#)

- TRANSFER AND GENERAL DEGREES

Method of Assessment

By conducting in person and hands-on lab time with the students.

3. What methods will be used to assess individual student understanding of each of these outcomes? (Please be specific.)

Outcome #1: Method to assess student understanding *

Outcome #2: Method to assess student understanding *

By administering weekly quizzes, section exams, and a thorough term final written exam.

Outcome #3: Method to assess student understanding *

By conducting in person and hands-on lab time with the students.
By administering weekly quizzes, section exams, and a thorough term final written exam.

4. How will you know if you were successful in your efforts to teach this outcome?

Students will be able to complete the required practical stations for EMS 105 without assistance.

Outcome #1: *

Outcome #2: How will you know if you were successful in your efforts to teach this outcome? *

Students will score a cumulative grade percentage above 70%

Outcome #3: How will you know if you were successful in your efforts to teach this outcome? *

Students will have attended all required classes, and completed all the state required hours

**5. Instructor Questions: Create two course specific questions to be included on the Student Course Evaluation.
Question #1**

Was the Emergency Care Workbook a useful tool for you? Did it help further your understanding of the material and testing style? Or, was the time used to complete the workbook better used on other topics or skills?

Question #2

Were the instructors lectures educational and easily understandable?
Were the lectures concise and accurate, and did they help you understand the material?

Do you require the names of students who complete the course evaluation survey?

NO

Reminder, when completing Part B, instructors will be asked the following questions:

Marcus Van Laar

1. Describe anything you did to support the institutional effort to support students in improving "Sources and Evidence" and/or "Organization and Presentation" for the CLO Communication

2. Describe anything you did to support the institutional effort to support students in improving "Student Position" and/or "Evaluate Potential Solutions" for the CLO Critical Thinking/Problem Solving
