successful in your efforts to teach this outcome? *	class projects and case studies. Chapter 5
Outcome #3: How will you know if you were successful in your efforts to teach this outcome? *	95% of students will achieve a passing grade on applicable homework, in class projects and case studies. Chapter 12
5. Instructor Questions: Create two course specific questions to be included on the Student Course Evaluation. Question #1	Were the In-class group assignments helpful in retaining the information
Question #2	Would doing assignment directly from the book have been beneficial?
Do you require the names of students who complete the course evaluation survey? (Please note: names will be sent to instructors the Thursday before term ends)	NO
Reminder, when completing Part B, instructors will be asked the following questions:	
1. Describe anything you did to support the institutional effort to support students in improving "Sources and Evidence" and/or "Organization and Presentation" for the CLO	
Communication	
2. Describe anything you did to support the institutional effort to support students in	
improving "Student Position" and/or "Evaluate Potential Solutions" for the CLO Critical Thinking/Problem Solving
