

# Course Assessment – Part A: Your Plan

#470

Your Email \*

Please select your course and name from the drop-down menu. If your course or name are incorrect or missing, contact the Curriculum and Assessment Administrative Assistant, 541-506-6037 or ggilliland@cgcc.edu.

NUR 90 – Nursing Assistant – 1095957 – Cassie Hill – Fall 2020

Part A: Your Plan

## DIRECTIONS

1. Choose three of your course outcomes to assess and report on this term (these will also be used in your Student Course Evaluation survey):

Apply OSHA and client safety standards and use proper infection control methods in client care situations.

Outcome #1 \*

Outcome #2 \*

Follow local, state and federal regulations for client care in various settings.

Outcome #3 \*

Be prepared to take the Oregon Nursing Assistant Exam for certification.

Have you completed an assessment for this course prior to this term? No

If yes, are you assessing different outcomes? No

Comments:

2. To which degree(s) or certificate(s) does your course map?

## Degree, Certificate, & Program Outcomes

- NURSING AND HEALTH OCCUPATIONS

Method of Assessment

3. What methods will be used to assess individual student understanding of each of these outcomes? (Please be specific.)

Outcome #1: Method to assess student understanding \*

- 1) The student will demonstrate proper hand hygiene prior to the clinical setting.
- 2) The student will demonstrate proper linen handling and bed making skill prior to the clinical setting.
- 3) The student will demonstrate proper perineal care on a male and female mannequin prior to the clinical setting.
- 4) The student will demonstrate proper infection control measures while in the clinical setting and providing client care. This includes proper hand hygiene, handling linens, making beds and perineal care.

Outcome #2: Method to assess student understanding \*

- 1) The student will pass quizzes with an average of 75% or better and two exams with a 75% or better.
- 2) The student will return demonstrate the skills on the checkoff list with confidence and proper technique prior to the clinical setting.
- 3) The student will provide personal care to a client, in front of the instructor, with confidence and proper techniques that were learned in the lab setting. This will include ADL care, vital signs, infection control, bathing, activity assistance and dining room assistance.

Outcome #3: Method to assess student understanding \*

- 1) The student will pass all quizzes with an average of 75% or better and two exams with 75% or better.

- 2) The student will return demonstrate the skills on the checkoff list with confidence and proper techniques prior to the clinical setting.
- 3) The student will demonstrate proper skills to care for two or more residents in the clinical setting.

4. How will you know if you were successful in your efforts to teach this outcome?

1) 100% of students will use proper infection control techniques in the clinical setting. This includes hand hygiene, handling linens, bed making and perineal care.

Outcome #1: \*

2) 100% of students will pass the State Board of Nursing exam on the first attempt.

Outcome #2: How will you know if you were successful in your efforts to teach this outcome? \*

1) 100% of students will pass the State Board of Nursing exam on the first attempt.

Outcome #3: How will you know if you were successful in your efforts to teach this outcome? \*

- 1) 100% of students will have passed all quizzes with an average of 75% or better and pass two exams with a 75% or better.
- 2) 100% of students will have demonstrated the skills on the checkoff list with confidence and with proper technique in both the lab and clinical setting.

5. Instructor Questions: Create two course specific questions to be included on the Student Course Evaluation.

What did you like best about this class?

Question #1

Question #2

How do you feel this class can be improved?

Do you require the names of students who complete the course evaluation survey? (Please note: names will be sent to instructors the Thursday before term ends)

NO

Reminder, when completing Part B, instructors will be asked the following questions:  
 Describe anything you did to assist the institutional effort to support students in improving achievement of the specified criteria for the following Core Learning Outcomes (CLO):

1. CLO#1 – Communication – "Sources and Evidence" and/or "Organization and Presentation"
2. CLO#2 – Critical Thinking/Problem Solving – "Student Position" and/or "Evaluate Potential Solutions"
3. CLO#4 – Cultural Awareness – "Curiosity" (Encouraging our students to "Ask deeper questions about other cultures and seek out answers to these questions")
4. CLO#5 – Community and Environmental Responsibility – "Understanding Global Systems" and/or "Applying Knowledge to Contemporary Global Contexts"
