- November 18, 2020: Gerardo will update analysis and send matrix to Susan [CT-A]

4. Review of Core Theme Rubrics and Narrative Analyses 2

Goal: Validate matrix data

Goal: Identify any areas of the Narrative Analysis needing clarification

Goal: Identify in the disaggregated data the equity gaps for report focus

Core Theme B

Determine target –

- Chart 94- 95% of students who transferred within the 3 years from starting – data only up to 2016 – this is the student start date
 - Of those who transferred
- 150% within 4 years of transfer
- Clatsop Community College is around 84%
- B3: Mission fulfillment – 90% at highest questioned
 - Susan – See your edits
 - Committee is in agreement with Susan's edits
 - Brief background info
 - GPA's were used originally used
 - students who transferred to university may be have been taking the course, but we do not know how they are doing. That data is no longer available.
- B1.1- Analysis
 - This data includes all our students, not just degree seeking students.
 - 1st time student is being collected by LBCC.
 - Susan and Jarett would like to see the 755 students being filtered, disaggregated data.
 - Apply regular disaggregation filter
 - Gender etc
 - Per Kristen, Mike's e-mail says we cannot get it as disaggregated data
 - What accounts for the big attrition between fall and winter?
 - This may be because of the difference in the co-hort
- B1.2 Analysis
 - Where does the 517 and 262 come from

- Action Item: Susan will check with Dan to verify which survey is being used for C1.2 and will check into C2.3 about the table.

Core Theme A

- A.1.1
 - FTE not representative of this group
 - Revise targets to enrollment numbers
 - Targets were put back in and then it noted that enrollment numbers needed
 - SBDC/CCP
 - Just enrollment numbers of classes
 - Committee supports Susan getting enrollment numbers from Core Theme A committee
 - Table – disaggregated data needed
 - Susan creates tables/charts to be completed by Core Theme A committee
- A2.1
 - These targets need to be reexamined

- Action Item: Susan has asked the IAC to please read through the red notes and get back to Susan

5. Other / Wrap-up

- Action Item: Questions for Justin. Why can't B1.1 and B1.2 data be filtered using disaggregated categories?

6. Adjourn to Gail's retirement party

Next Meeting: January 13, 2021
