2027-28 Nursing Program Admissions Packet

Thank you for your interest in the Columbia Gorge Community College (CGCC) Nursing Program.

IMPORTANT DATES

Application Deadlines

Early Deadline: Thursday, January 28, 2027, by 5:30 p.m.
Final Deadline: Thursday, February 25, 2027, by 5:30 p.m.

Admissions Process Dates:

Proctored Essays & HSRT Exam
Wednesday, Thursday, April 14 - April 15, 2027
In-person at The Dalles Campus

Questions: Contact Student Services at studentservices@cgcc.edu or (541) 506-6011 (Option 2)
Accommodations: Contact Shayna Dahl at sdahl@cgcc.edu or (541) 506-6046 for accommodations

After Program Acceptance/Wait List:

Mandatory Orientation Meeting #1: Thursday, July 22, 2027 from 8:00 AM to 3:00 PM

Mandatory Program Meeting #2: Wednesday, August 26, 2027 from 9:00 AM to 3:00 PM
Both meetings are in-person at The Dalles Campus

Please note: All dates listed in this application are subject to change. Applicants are responsible for regularly checking their CGCC email for updates, schedule changes, and important Nursing Program communications.

2027-28 Nursing Admissions

CGCC's Nursing Program collaborates with other community college nursing programs and Oregon Health and Science University (OHSU) in a unified approach to nursing education. This approach establishes the Oregon Consortium for Nursing Education (OCNE) with schools having comparable prerequisites and application processes. Acceptance to the CGCC nursing program encompasses co-admission to CGCC and OHSU Nursing Programs. The partnership provides students with the option of completing an Associate's Degree in Nursing from CGCC and/or a Bachelor's Degree in Nursing from OHSU.

Four-Year Framework
Year One: Prerequisite coursework

Year Two: First-year OCNE curriculum - CGCC

Year Three: Second-year OCNE curriculum - CGCC (students may earn an AAS Degree and be eligible to take the NCLEX RN Licensure Test)

Year Four (optional): Upper-division nursing coursework through OHSU with upper-division arts, letters and sciences from an accredited university. Students will earn a Bachelor of Science in Nursing Degree at the end of this year.

Students who successfully complete NRS 110 and later fail or withdraw from another course in the Nursing program must apply for re-entry through the Nursing Program Re-Entry Application. Because NRS 110 has already been successfully completed, they are not eligible to repeat or re-enroll in that course.

Admissions Requirements

Applicants to the Nursing Program must meet the following requirements:

- **Completion of prerequisite and pre-program coursework with at least a letter grade of "C" or better and a GPA of at least 3.0 for those courses (not your cumulative GPA you see on your transcript).** Students must have at least 28 of the required 45 prerequisite and pre-program credits completed with final, posted grades at the time of application submission and must include Intermediate Algebra (MTH 95, MTH 111Z, or higher) and Human Anatomy & Physiology I (BI 231Z). Points are calculated only for credits completed at the time of application submission.
- Submission of official, sealed transcripts from **all colleges and universities attended**. Points are awarded only for courses included in a prerequisite and pre-program GPA of 3.00 or higher. Only prerequisite and pre-program coursework is included in the GPA calculation. Current and former CGCC students do not need to submit an official CGCC transcript; Student Services will add it to the application materials. Applicants who completed CGCC coursework prior to Fall 2013 must request an official transcript from Portland Community College because CGCC was accredited through PCC at that time.
- Completion of all required forms on the checklist in the application packet. Applicants must also complete the online CGCC Application unless they are currently enrolled CGCC students.
- Submission of a letter explaining why any previously attended non-CGCC nursing or health occupations program was not completed, if applicable. The Dean of Nursing may request a meeting to discuss the information provided.

It is very important to meet with a CGCC advisor when planning to apply to the program to ensure all requirements are completed by the application deadline. Schedule an appointment with the Nursing Program advisor at https://www.cgcc.edu/advising or by calling Student Services at 541-506-6011, option 2.

Required Prerequisites

All required prerequisites must be completed with a letter grade of "C" or better by the end of Fall term 2026. For repeated courses, the most recent grade will be used.

- **BI 231Z: Human Anatomy & Physiology I (4 credits):** Must be completed within seven years prior to the application deadline and no later than Fall term 2026. **BI 221Z** is the current CGCC prerequisite; CGCC's former BI 211 course or approved BI 112 transfer coursework may also satisfy this requirement. The full Anatomy and Physiology sequence, BI 231Z through BI 233Z, is required for the Nursing Program.
- **MTH 95: Intermediate Algebra (4 credits)**: Completion within seven years prior to the application deadline and no later than Fall term 2026. If your math prerequisite was completed before Winter 2019, you must demonstrate current placement into MTH 111Z. CGCC accepts ACCUPLACER or ALEKS results taken within the past two years. **MTH 98 and MTH 105 do not meet the prerequisite**.

Pre-program Requirements

All pre-program requirements must be completed with a letter grade of "C" or better no later than Spring term 2027. At least **28** of the required 45 prerequisite and pre-program credits must be completed by the application deadline. Only credits completed at the time of application submission are eligible for points.

- **BI 232Z, BI 233Z, and BI 234** must be completed within seven years of the application deadline in order to count for points and by the end of Spring term 2027.
- **WR 121Z** may be satisfied with AP, IB, CLEP, or an earned bachelor's degree, but this type of credit is not included in the prerequisite GPA calculation.
- **BI 221Z: Principles of Biology: Cells** is required for the Nursing Program and is the prerequisite for BI 231Z at CGCC.

  Required pre-program coursework to be completed by the end of the **Spring 2027** term:

  - BI 232Z: Human Anatomy & Physiology II (4 credits)
  - BI 233Z: Human Anatomy & Physiology III (4 credits)
  - BI 234: Microbiology (4-5 credits)
  - FN 225: Nutrition (3-4 credits)
  - PSY 201Z: General Psychology (3-4 credits)
  - PSY 215: Human Development (3-4 credits)
  - WR 121Z: Composition I (4 credits)
  - WR 122Z: Composition II (4 credits) or WR 227Z: Technical Writing (4 credits). This requirement cannot be satisfied by an upper-division or graduate-level course, including a discipline-specific thesis, capstone, or research course.

The following coursework may be completed for application points or may be required for the degree, but it is not required for admission to the Nursing Program. **These courses are not applied to prerequisite GPA calculation**.

- MP 111: Medical Terminology (4 credits).
- Additional general education requirements as needed to complete the 45-credit minimum.

Basic Computer Literacy

The CGCC Nursing Program does not require a computer science prerequisite. However, success in a Nursing Program requires that students be computer literate, including at least word processing, use of spreadsheets and web searches. Students with no computer experience should discuss ways to remediate this competency with an advisor prior to entering the Nursing Program.

Application and Admission Process

- Applicants must submit a completed online application and all required forms no later than **Thursday, February 25, 2027, at 5:30 p.m.** Official transcripts showing final, posted grades for coursework to be considered for application points must be received by the application deadline. Official transcripts showing final Spring 2027 grades needed to complete the remaining prerequisite and pre-program requirements must be received by **Wednesday, June 30, 2027.**
- Applicants pay a non-refundable $50 Nursing Application Processing Fee. This fee is added to the applicant's MyCGCC student portal within 1 business day of the application submission and must be paid within 3 business days.
- After the application deadline, each application is evaluated for completeness and eligibility, using the point system on page five. All applicants are assigned a secure CGCC email account. You will receive a personal email with instructions on how to access this account for future correspondence.
- The top 70-scoring applicants are invited to schedule a proctored essay and take an HSRT exam.
- Up to 30 applicants will be accepted, with an additional 30 applicants selected as alternates. In the event of a tie in the final scores, preference will be given in the following order: (1) veterans or spouses of veterans, (2) CGCC district residents, (3) residents of Klickitat County, (4) residents of Skamania County, (5) residents of Oregon or Washington, (6) prerequisite GPA, and (7) a lottery.
- Ten points are awarded to residents of Gilliam, Hood River, Sherman, Wasco, or Wheeler counties in Oregon and Klickitat and Skamania counties in Washington, as well as out-of-district residents who have completed 30 or more credits at CGCC (including prerequisite courses and other supporting coursework). Applicants must reside in the above-mentioned counties for **90 days prior** to application as verified by the required Declaration of Residency and supporting documentation.
- Support services for applicants with disabilities are available at CGCC. Applicants should contact the Student Support Services Coordinator at 541-506-6046 or sdahl@cgcc.edu or visit www.cgcc.edu/disability for more information.

Upon Acceptance

All applicants will receive notification of final admissions status by CGCC student email no later than **Thursday, May 20, 2027.** The acceptance form must be submitted by the stated deadline, or the applicant's space will be given to the next applicant on the waitlist. Applicants accepted into the CGCC Nursing Program for Fall term 2027 are required to pay a $100, non-refundable program deposit and submit proof of immunization, at a minimum, the first Hepatitis B shot in the series (at any time in the past) by **Thursday, June 17, 2027,** to hold their place in the program. This deposit is applied toward the tuition for Fall term 2027.

Other forms, requirements (including immunizations) and further information will be provided during the mandatory meeting #1 on Thursday, July 22, 2027, for all accepted students and wait-listed students.

Admissions Point System

Points are awarded in the application process. Applicants are strongly advised to complete as many of the supporting courses as possible because points are awarded and the number of credits taken each term of the program can be reduced. For repeated courses, the most recent grade will be used. Eligible applicants will be assessed according to the following point system:

Type of Points	Maximum Points
Prerequisite GPA: This calculated GPA is based only on the specific prerequisite courses listed on the CGCC Nursing Program Course Planning Sheet, rather than the applicant's overall college GPA. Only final, posted grades earned by the time of application submission are included. At least 28 prerequisite/pre-program credits must be completed prior to application submission. • 3.67 - 4.0 = 25 points. • 3.33 - 3.66 = 23 points. • 3.20 - 3.32 = 20 points. • 3.15 - 3.19 = 17 points. • 3.00 - 3.14 = 15 points. **Courses included in the prerequisite GPA:** BI 231Z, BI 232Z, BI 233Z, BI 234, BI 221Z, MTH 95 or higher, FN 225, PSY 201Z, PSY 215, WR 121Z, and WR 122Z or WR 227Z.	25
Completion of A&P series (BI 231Z, 232Z and 233Z): • Complete the full sequence by the end of Fall term = 2 points. • Complete two quarters of the sequence by the end of Fall term = 1 point.	2
Prior Degree: • 2-year degree or higher from regionally accredited college.	1
Completion of all prerequisite credits: • Complete all prerequisite/pre-program credits by end of Fall term = 2 points. • Complete 28 but less than all credits by the end of Fall term = 1 point.	2
Completion of MP 111	3
Early submission of the <u>complete</u> application before 5:30 p.m. on January 28, 2027	2
Residency within CGCC's service district	10
Veteran of the U.S. military with an honorable discharge, or spouse of a veteran: A copy of the DD Form 214, Member 4, is required.	5
Active C.N.A, Surgical Tech, LPN, or Paramedic unencumbered license: Submission of copy of license or printout from state licensing agency showing unencumbered license is required. • C.N.A, LPN, or Paramedic = 10 points. • Active Certified Medical Assistant, EMT, or Surgical Tech = 7 points. • Other medical experience (could be a letter from provider/employer/agency) = 2 points.	10
Waitlisted from 2026-27 admissions process	5
Proctored Essay	30
Proctored HSRT Exam ($25 fee)	5
Total Points	**100**

CGCC reserves the right to modify/change elements of the admission selection process on an annual basis.

Nursing Program Curriculum

Year One**:**

Fall Term:

- NRS 110: Foundations of Nursing: Health Promotion — 9 credits
- NRS 234: Pathophysiological Processes for Nursing I — 2 credits
- NRS 237: Clinical Pharmacology I — 2 credits

13 credits

Winter Term:

- NRS 111: Foundations of Nursing in Chronic Illness I — 6 credits
- NRS 235: Pathophysiological Processes for Nursing II — 2 credits
- NRS 238: Clinical Pharmacology II — 2 credits
- General Education Elective* — 4 credits

14 credits

Spring Term:

- NRS 112: Foundations of Nursing in Acute Care I — 6 credits
- NRS 236: Pathophysiological Processes for Nursing III — 2 credits
- NRS 239: Clinical Pharmacology III — 2 credits
- General Education Elective* — 4 credits

14 credits

Year Two:

Fall Term:

- NRS 221: Nursing in Chronic Illness II & End of Life Care — 9 credits
- Nursing Program Elective* — 3 credits
- General Education Elective* — 4 credits

16 credits

Winter Term:

- NRS 222: Nursing in Acute Care II & End of Life Care — 9 credits
- Nursing Program Elective* — 3 credits
- General Education Elective* — 4 credits

16 credits

Spring Term:

- NRS 224: Integrative Practicum — 9 credits
- Nursing Program Elective* — 4 credits

13 credits

**See CGCC Catalog pp. 11-12 for the list of approved General Education courses used to fulfill Nursing Program elective requirements.*

General Education Electives: Students must earn a minimum of 16 credits of approved General Education. The 16 credits must include at least one course with a minimum of three credits from Arts & Letters, Social Sciences, and Science. Students who have already completed their electives may attend some terms at less than full-time status, which can affect Financial Aid eligibility, Veterans' Benefits, and institutional tuition considerations.

Important Notices

- Clinical sites may be located in The Dalles, Hood River, Goldendale, White Salmon and CGCC Rural Clinical Simulation Center. Students are responsible for transportation.
- The above sequence of courses may be adjusted. Students accepted into the Nursing Program will be notified of any changes to course sequencing in the CGCC 2027-28 Catalog.

Estimated Cost of Nursing Program

Year One	
Tuition and College Fees (33 credits)	$5,280
Tuition and College Fees for 16 additional required credits*	$2,560
Textbooks	$2,875
Program Fees	$4,106
Background Check & Drug Screen (required prior to Fall term start)	$138
Stethoscope	$150
Uniform/Scrubs (2 sets of pants and tops)	$60
Pocket Pen Light	$25
Total First-Year Costs	**$15,114**
Year Two:	
Tuition and College Fees (28 credits)	$4,320
Tuition and College Fees for 18 additional required credits*	$2,880
Text Books	$0.00
Program Fees	$4,106
Total Second-Year Costs	**$11,306**
Combined First- and Second-Year Costs:	**$26,420**

Miscellaneous Costs: A watch with the ability to count seconds, shoes (no open heels or exposed toes), immunization status verification, etc. Detailed information to be provided at the mandatory meeting in July.

**See Nursing Curriculum above for information on additional required credits.*

Financial Aid and Scholarship Information

Financial aid and scholarship information can be found by visiting https://www.cgcc.edu/finaid. Tuition Scholarships specifically for nursing students are offered by the Columbia Gorge Community College Foundation. Applications are available online at https://www.cgcc.edu/cgcc-scholarships

Housing on Campus

CGCC offers on-campus housing in our beautiful Chinook Residence Hall in The Dalles. Learn more by visiting https://www.cgcc.edu/housing.

Equal Opportunity and Nondiscrimination

CGCC is an equal-opportunity institution and employer. It is the policy of CGCC and its Board of Education that there will be no discrimination or harassment on the grounds of race, color, sex, marital status, national origin, religion, age, disability, veteran status, sexual orientation, and any other status protected by the applicable local, state, or federal law in any education programs, activities, or employment.

Persons having questions about equal opportunity and nondiscrimination should contact:

Accreditation Statement

CGCC is accredited by the Northwest Commission on Colleges and Universities (NWCCU). Accreditation of an institution of higher education by the NWCCU indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer-review process. An accredited college or university has the resources necessary to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the NWCCU is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding CGCC's or another institution's accreditation status by the NWCCU should be directed to the administrative staff of the institution. Individuals may also contact:

Northwest Commission on Colleges and Universities
8060 165th Avenue N.E. Suite 100
Redmond, WA 98502
(425) 558-4224
www.nwccu.org

2027-28 Nursing Program Application Checklist

Applications must be submitted **no later than 5:30 p.m. on Thursday, February 25, 2027. Partially completed packets will not be accepted.** Each year is a new process, and resubmissions may incur additional application fees. All required documents must be submitted with the exception of official transcripts already on file. Use this checklist to indicate you have completed all the requirements for consideration into the Nursing Program.

A complete Nursing Program Application Packet consists of the following **required** items:

☐ CGCC Admissions Application for NEW CGCC students must be completed online at cgcc.edu/apply

☐ Nursing Program Application (Online Application).

☐ Nursing Program Application Checklist (Page 9 - Online Application).

☐ Nursing Program Course Planning Sheet (Page 11 - Online Application).

☐ **Official**, unopened paper transcripts or electronic transcripts from **ALL** accredited colleges or universities attended must be on file at CGCC by the application deadline. CGCC students do not need to submit an Official CGCC transcript.

☐ $50 non-refundable application fee.

If Applicable:

☐ Documentation of CNA, Surgical Tech, LPN, Paramedic, EMT unencumbered license or other medical expertise (if applicable).

☐ Declaration of Residency and supporting evidence (if applicable).

☐ Documentation of veteran status or spouse of veteran (DD214 Member 4 copy) (if applicable).

☐ ACCUPLACER or ALEKS test scores (if applicable).

I certify that I have read and fully understand the 2027-28 CGCC Nursing Program Admissions Packet.

Application Fee

A **$50 non-refundable application fee** is required and must be paid within **three business days of submitting your online application.** Please allow up to **one full business day after submitting your application** for the fee to appear in your MyCGCC Student Portal.

You may pay the fee:

- **Online:** Through the MyCGCC Student Portal at https://my.cgcc.edu.
- **By phone:** Call Student Services at **541-506-6011, option 2.**
- **In person:** Visit Student Services in **Building 3 at The Dalles Campus.**

Your application will not be reviewed or processed until the required application fee has been paid.

CGCC Nursing Program Course Planning Sheet

Prerequisite/Pre-Program Courses	Courses Completed				
Sciences	**College**	**Course**	**Term/Year**	**Grade**	**Credits**
BI 231Z: Human Anatomy & Physiology I (within 7 years)					
BI 232Z: Human Anatomy & Physiology II (within 7 years)					
BI 233Z: Human Anatomy & Physiology III (within 7 years)					
BI 234: Microbiology (within 7 years)					
BI 221Z: Principles of Biology: Cells*					
Intermediate Algebra: 0-5 credits	**College**	**Course**	**Term/Year**	**Grade**	**Credits**
MTH 95 or MTH 111Z or higher (within 7 years) *or* a current placement test score for MTH 111Z or higher.					
English Composition: 8 credits	**College**	**Course**	**Term/Year**	**Grade**	**Credits**
WR 121Z: Composition I					
WR 122Z: Composition II or WR 227Z: Technical Writing					
Nutrition: 4 credits	**College**	**Course**	**Term/Year**	**Grade**	**Credits**
FN 225 Nutrition					
Psychology: 6-8 credits	**College**	**Course**	**Term/Year**	**Grade**	**Credits**
PSY 201Z: General Psychology					
PSY 215: Human Development Psychology					
Coursework for Points Only - not included in GPA calculation					
MP 111: Medical Terminology					
General Education: Humanities, Social Science: Additional lower-division collegiate credits may be needed to reach the required 45 prerequisite credits. These courses are not included in the pre-program GPA calculation or in the 28 credits required at the time of application submission. General education prerequisite electives must include at least 6 credits in Social Science.					
Electives	**College**	**Course**	**Term/Year**	**Grade**	**Credits**
Social Science elective					
Social Science elective (if needed)					
Other electives (from arts, humanities, social sciences, math, science, etc. if needed)					
Other prerequisite GE elective (if needed)					
Other prerequisite GE elective (if needed)					
A minimum of 28 of the 45 credits must be completed, including BI 231Z & MTH 95 (both within 7 years), by the end of Fall term prior to the application deadline. For the best point consideration, students should complete all 45 prerequisites by the end of Fall term prior to the application deadline. See the Point Distribution Sheet on page 5 of this guide for more details.	**Total Prerequisite credits completed:**				

**Note:* *BI 221Z is the current CGCC prerequisite for BI 231Z and BI 234. CGCC's former BI 211 course or approved BI 112 transfer coursework may also satisfy this requirement. The course must include the genetics content required by OHSU.*

CGCC Nursing Program Declaration of Residency Instructions

For permanent residents of Oregon and Washington who live within the CGCC service district.

To establish residency preference, Nursing Program applicants must have maintained permanent residence in Oregon or Washington. A resident is defined as someone who lived in Oregon or Washington for **90 continuous days** immediately prior to the application date. Permanent residence is defined as the home a person intends to return to after any absence, and in which one's dependents reside for an unlimited period of time.

Who qualifies:

- Residents of Gilliam, Hood River, Sherman, Wasco, or Wheeler (OR) or Klickitat or Skamania (WA).
- Out-of-district residents who have completed **30 credits or more** at CGCC including prerequisite courses and other supporting coursework.

Complete the residency information below and provide documents from both **Category 1 AND Category 2** to prove your residency status. ALL documents must be dated and contain your name and permanent physical address establishing your permanent residence for three consecutive months prior to submission of the nursing application. The address on these documents must agree with the permanent address on your application form or the previous addresses you list on the Declaration of Residency form. **If you have a PO Box and/or rent from parents or another individual, you must get the documentation notarized.**

Category 1: **Choose ONE option from the list below. You must provide the same type of document for each of the three months immediately before the month you apply.** For example, if you use an Electricity Statement, provide: • Document 1: Electricity Statement for November 2026 • Document 2: Electricity Statement for December 2026 • Document 3: Electricity Statement for January 2027	**Category 2** **One copy of any of the documents listed below for a total of one document in this category.** **Documents must list current physical address.**
Option 1: Rent or mortgage receipts with your resident address and date of occupancy. *Handwritten rental receipts must be notarized Rental agreements are not acceptable.*	**Option 1:** Oregon or Washington driver's license, DMV or Government-issued photo ID card (non-expired) with current resident address.
Option 2: Utility statements (water, power, home phone, cell phone) showing the resident address.	**Option 2:** Oregon or Washington Vehicle Registration with your resident address.
Option 3: Local bank account statements showing resident address.	**Option 3:** Oregon or Washington Voter Registration.
Option 4: Credit card statements showing resident address.	**Option 4:** Valid Oregon or Washington Hunting/Fishing license.
Option 5: Documents proving you own Oregon or Washington property and that this property is your primary residence.	

Note: If you are under age 20 and reside with a parent/guardian and are unable to provide the required documentation from Category 1, you may submit an official high school transcript from any high school within the following counties: Gilliam, Hood River, Sherman, Wasco, or Wheeler (OR) or Klickitat or Skamania (WA).

CGCC Nursing Program Declaration of Residency

Please refer to Declaration of Residency instructions on previous page

Please fill out this form if one of the following applies to you

☐ Resident: I am a resident of one of the following counties: Gilliam, Hood River, Sherman, Wasco, or Wheeler (OR) or Klickitat or Skamania (WA).

☐ Out-of-District: I am an out-of-district resident who has completed 30 credits or more at CGCC including prerequisite courses and other supporting coursework.

Name: _____ Phone: _____

Please list all the addresses where you have lived in the three months before the application date.

_____

Street *City* *State* *Zip*

_____

Street *City* *State* *Zip*

List the types of documents you are submitting for **each** category to verify your permanent address. **Documents must be provided for both Categories 1 and 2.**

Category 1: _____

1 copy for each month *☐ Month 1* *☐ Month 2* *☐ Month 3*

Category 2: _____

1 copy

I certify by my signature that the above information is a true and accurate statement of my residency.
