SPRING REGISTRATION

Registration priority for non-veterans is based on the number of credits successfully completed at CGCC. It does not include courses attempted or graded F, W, I, AU, or NP, transfer credits, or classes currently in progress.

In compliance with House Bill 2565, CGCC offers priority registration to veterans, active or reserve service members, and dependents receiving VA education benefits, in advance of their official registration period each term.

Students may also register on any scheduled registration day or time **after** their priority day through the first week of the term. After the first week, students must obtain instructor permission to join a class in progress.

Moodle Fee, Online and Hybrid Classes Only: \$50 per course

Tuition for residents of non-border states: \$238 per credit

An explanation of fees can be found on page 17

Community Education Tuition + Fees*

Tuition and fees for community education classes are listed with each class.

*Tuition and fee rates are subject to change.

Discounts & Waivers

Discounts for District Residents, age 65+

District residents of Hood River or Wasco Counties 65 years or older are eligible to receive a 50 percent tuition discount on both credit and community education classes on a seat available basis. Check the course description for eligibility since some classes may not allow tuition discounts. Discounts do not apply to full classes or to lab and other class fees. You will be notified if the class is full and the tuition discount will not apply. Request your discount at the time of payment or by calling the Business Office.

Oregon Senior Option—applies to credit classes only

Senior Oregon residents are eligible for a program called Oregon Senior Option that allows them to audit classes that are not full while paying no tuition. Students pay associated fees and book costs. For more information, contact Student Services.

Drop Dates, Refunds & Removal of Charges

Charges:

Charges are applied to a student's account when the student registers for a class. All of the tuition charges associated with a class will be removed if the student officially drops within the refund period. Some lab fees are non-refundable. No charges will be removed if the student drops after the drop deadline.

Drop Deadlines for Credit Classes:

Credit classes must be dropped online through MyCGCC. If a credit class is not dropped within the drop period, it will result in a "W" grade on the transcript, indicating a withdrawal, and no charges will be refunded.

Students are entitled to a 100% refund, except for non-refundable lab fees, when a course is dropped during the following deadlines:

- 8-11 week classes | drop by the first Friday of the term
- 2-7 week classes | drop by the end of the first day of the class
- classes fewer than 2-weeks | drop before the first class
- No refunds will be given after the deadline, except in cases where a Tuition Appeal is approved (see "Refund Requests After the Drop Period" for details on eligibility)

Drop Deadlines for Non-Credit Classes:

Non-credit/community education classes may be dropped online, in person at Student Services, or over the phone with a Student Services representative.

Students are entitled to a 100% refund, except for non-refundable lab fees, when a non-credit course is dropped prior to the first class meeting.

Refund Requests Within the Drop Period:

- The Business Office automatically issues refunds to students who drop within the drop period. The refund process as follows:
- Refunds from tuition and fees are first applied to outstanding charges on the student's account. If the student receives financial aid and opted to charge books on his/her account, this will also be deducted prior to any refund.
- If the credit is the result of a payment by check or cash, a check is issued in the student's name.
- If the credit is the result of a bank card payment, the refund will be applied to the original bank card.
- Refunds resulting from check overpayment are held two weeks from the date of the original payment.

Refund Requests After the Drop Period for Credit Classes:

If a student believes an extreme hardship prevented completion of a credit course, and the student could not drop during the refund period, the student may request to have tuition charges removed. Fees, especially any non-refundable lab fees may not be refunded. A Tuition Appeal form for requesting a refund can be obtained from Student Services in The Dalles or Hood River. The student must provide documentation of the circumstances to support their claim. The petition, and all accompanying documentation, must be received by the filing deadline to be considered. Please see the form for more details.

Refund Requests After the Drop Period for Community Education Classes

Requests for refund on community education classes will be evaluated on a case-by-case basis. Please contact the community education coordinator for help at (541) 506-6063 or rkelly@cgcc.edu

Financial Aid & Eligibility

www.cgcc.edu/financial-aid

Federal School Code (FAFSA) 041519

Students may access financial aid resources (grants, scholarships, work-study, and loans) and useful information about budgeting and paying for college in the following ways:

- Financial Aid Office at The Dalles Campus, inside Student Services
- Front desk at Hood River Campus
- www.cgcc.edu/financial-aid
- (541) 506-6021
- financialaid@cgcc.edu

A student's financial aid eligibility can be affected by many things. Students should consult with CGCC:

- before adding or dropping a class
 - before withdrawing from classes
 - if failing a class, or as soon as possible after receiving a failing grade
 - if receiving a non-CGCC scholarship or other external funding
- Worried or not sure what to do? Contact a Financial Aid representative!

Co-Creating a Sustainable World

This course is an invitation for you to delve into your own aspiration of achieving change as it relates to the sustainability of our home, the Earth. Since the culture that creates a problem isn't sufficient for solving it, we will discover an appropriate consciousness, as well as the academic bridges and the spiritual pathways necessary to create ecological integrity and social harmony. With this new paradigm comes an understanding of our loss of deep relationships, appreciation of all life, living by guiding principles, and emergent processes. We will better understand the ethical shortfalls that underlay climate change, wars, and social injustices, and we will discern how we might be part of a global collaboration to make the life changes necessary to live within the Earth's capacity to renew, cleanse and heal. Knitting: Learn to Brioche

You will use two colors in the round to knit a beautiful, reversible cowl or infinity scarf using the technique of Brioche. The rhythm of the stitches and the squish of the fabric will make this your new favorite way to knit. Skills Required: This is considered an intermediate skill. You need to be comfortable casting on, knitting, purling, doing yarn overs, and reading patterns.

Materials: Purl Soho’s pattern, “Gina’s Brioche Hat and Cowl” available for free on Ravelry or purlsoho.com, 200 yds each of two colors of worsted weight yarn, they need to be contrasting colors, US #6, 24” needle if knitting a cowl (24” circumference), US #6, 32”-40” needle if knitting an infinity scarf (56” circumference)

If you get your supplies at Knot Another Hat in Hood River, you can get 10% off. Because there is homework before class starts, you will either need to shop in person, or have supplies shipped to you. For yarn, either Berroco Ultra Alpaca or Malabrigo Rios is recommended. Homework to complete before class: -With one color, CO 218 sts (for infinity scarf) or 130 sts (for cowl), join in the round and knit 5 rounds. This will have you ready to add your second color and start Brioche knitting. No discounts or waivers. **CED 0400**

Knitting: Finishing Projects

From weaving in your ends to blocking your finished object, with occasional seaming too, how do you get those finishing touches just the way you like? You will practice weaving in ends a few different ways with a goal of being invisible. And, you will seam two swatches together all before we cover options for blocking (setting and cleaning the fiber). All levels of experience are welcome.

Homework to be completed before class: Knit two 4”x 4” swatches in Stockinette stitch. You can use yarn and needles of your choice. Please leave 4” – 6” tails at the start and end of each swatch (for weaving in). Bring your remaining yarn (or yarn in a contrasting color if you would prefer) for seaming. No discounts or waivers.

You will knit a square in two color Brioche flat while practicing common increases and decreases. You will be ready to knit beautiful, reversible shawls and garments! Skills required: This is an intermediate to advanced skill. You need to be comfortable with casting on, brk, brp, yo, and reading patterns. Materials (not provided): 50 yds each of two colors of worsted weight yarn (it is best if they are contrasting colors), US #6 circular needle, or two double pointed needles.

Homework: Prior to class, please watch <https://www.youtube.com/watch?v=oWHRfvU5im0> (Andrea Mowry demonstrating the Twisted German Cast On) and cast on 19sts using the Twisted German CO. This is a variation of the long tail method with an extra twist, giving it more stretch. No discounts or waivers. **CED 0400**

Printmaking, Linocut

Creative, inventive and all about fun. Linocut is a relatively easy printmaking technique in which a design is carved onto a sheet of linoleum, and the linoleum is then inked and impressed onto paper or fabric to create multiple prints of the same design. The technique is a great way to create homemade greeting cards or art suitable for framing. Pablo Picasso and Henri Matisse, along with other artists, popularized the technique in the 1940s and 50s. In this class you will learn the step-by-step process of linocut. Plus, complete and take home a linoleum block of your own design, which can be used again and again to create more prints.

Wood Carving: Carve a Garden Gnome

Have you ever wanted to become a wood carver? A great way to learn some basic wood carving skills is to learn how to carve a cute little 3" garden gnome. It's not hard when you break it down into individual steps. This 12-step program will have you wood carving in no time. Breaking it down into steps takes a lot of the fear away and makes it fun and easy to carve a cute little farmer. It is also very easy to alter this design to carve a farmer or garden gnome. This carving of a 3" little person can be completed with your own pocket knife (of good quality), or a carving knife can be purchased at CGCC Bookstore. This course will cover basic knife sharpening as well as painting and finishing your little person. Class taught by YouTube's 2018 Whirligig Wars' winner Todd (Impson) Cole. No discounts or waivers.

BLS CPR & First Aid Instructor Training Program

The American Heart Association BLS Instructor is authorized to teach both the Heartsaver community level provider classes and the BLS for Healthcare Providers CPR course. Prior to enrolling in the BLS Instructor course, you must have the following: A current BLS for Healthcare Provider CPR card, and the Heartsaver First Aid card. The AHA Instructor Training course is a 4-step process:

STEP 1: COMPLETE THE AHA INSTRUCTOR ESSENTIALS COURSE ONLINE. Go to: <http://elearning.heart.org/> Courses tab and select Instructor Training from the drop down menu. Select BLS Instructor Essentials Online and purchase (\$34.00). Print the certificate of completion and bring it to class with you. PLEASE BE AWARE! You must take the entire Essentials course in one sitting. You cannot save your progress and return to complete the course.

STEP 2: SEND AN EMAIL TO THE CGCC INSTRUCTOR:

Email your contact information to Tessie Adams at tadams@cgcc.edu. You will be sent specific information on next steps in preparation for the IN-CLASS Discipline Specific Training portion of the course, including textbook purchase information and an electronic copy of the BLS Instructor Workbook.

STEP 3: DISCIPLINE SPECIFIC TRAINING

This part of the course is completed in 4-hour and 8-hour classroom sessions with other instructor candidates to become familiar with the AHA course options, materials, equipment, outlines, and teaching methodology. You will also demonstrate your ability to correctly and effectively perform CPR and use the AED. Textbooks are required and must be brought to class.

STEP 4: TRAINING CENTER AFFILIATION AND MONITORING/MENTORING

To complete the Instructor Training program, you must affiliate with a Training Center (TC), meet with the TC coordinator or lead TC faculty to discuss specific TC administrative policies and procedures, and then be monitored by a TC Faculty member while teaching your first class. Lab fee includes a CGCC TC affiliation. **CED 9067**

Course descriptions in the catalog (www.cgcc.edu/catalog) are listed by the course number.

Title

The course title or name.

Credits

The number of credits for the class. CGCC uses a quarter system.

CRN

The Course Resource Number (CRN) is required to register for credit classes. Enter this number in the CRN box when searching for classes in the student registration system.

Locations

TDC

The Dalles, OR 97058

HRC

Hood River-Indian Creek Campus
1730 College Way
Hood River, OR 97031

Off campus

Courses held off-campus will include course location address or contact information

Days

M Monday
Tu Tuesday
W Wednesday
Th Thursday
F Friday
S Saturday
Su Sunday

Time

The start and end times for a class.

Instructor

The instructor's last name (surname).

Room numbers

TDC-The Dalles Campus

The first part of the number indicates the building number, the first number after the dot indicates which floor, and the whole number is the room number, which is listed on a placard at each room. For example, 3.103 means Building 3, 1st floor, room number 3.103.

Buildings 1-3 are clustered around the central courtyard (location of the amphitheater).

Building 4 is the arts building, lower parking lot.

Readiness Ctr. is the Ft. Dalles Readiness and Workforce Innovations Center, also called Building 10.

Building 11 is located between the Readiness Center and Building 3.

Room numbers-HRC

Rooms at HRC are only 3 digits, because there is only one building at the Hood River campus. The first number indicates which floor, so room 301 is on the third floor.

Codes

O

Class is offered entirely online. \$50 Moodle fee is required. Moodle is CGCC's online content delivery system. Students must log in by the first day of the term and show activity by the first Wednesday, or they may be dropped by the instructor as a no-show.

HYB

Class is offered through a mixture of online and in-person class sessions. \$50 Moodle fee is required. Moodle is CGCC's online content delivery system. Students must log in by the first day of the term and show activity by the first Wednesday, or they may be dropped by the instructor as a no-show.

SS

Synchronous sections meet in person at one campus location while being simultaneously broadcast to another, using a web-conferencing tool called Zoom. Instructors will not be physically present in the synchronous section.

LAB

Class includes a required lab section and additional lab fees. Lab sections may have a different time, day, and location from the lecture portion of the class.

GO

Gorge Open OER classes use alternative textbooks and free resources instead of traditional textbooks. Instructors either develop original materials or access freely available ones, helping decrease the burden of textbook costs for students.

LG

Low-Go OER classes use low-cost textbooks under \$50. Instructors use low-cost resources and freely available ones, helping decrease the burden of textbook costs for students.

QM

Quality Matters is a nationally-recognized, faculty-centered, peer review process designed to certify the quality of online courses. Courses marked with this code have completed the formal (3-person panel) QM review process.

Additional fees and other information

Moodle fee - \$50

Online and hybrid classes are delivered through a system called Moodle, and a fee is charged per-class to cover administrative costs of the technology.

Instructional fee - varies

Some courses include a fee that covers additional instructional costs for that class. These may be charged on a per-course or per-credit basis, and are listed with the specific class to which they apply.

Lab fee - varies

Lab fees are charged for classes that have supplies and materials used by students each term for specific classes.

Service fee - \$20 per credit

Service fees are universal fees charged per credit intended to replace fees such as student activity fees, technology fees, and parking fees.

SPRING PRE-COLLEGE

COLLEGE-PREP COURSES

College-prep classes help students prepare for or improve scores on college placement tests, develop reading comprehension skills and strategies, renew or increase math skills, and develop writing composition and grammar skills. Students must be 16 years old or older AND pursuing a GED, or be 16 years old or older, have a high school diploma or GED AND be entering college. Students are required to attend a free Pre-College Success Orientation prior to attending classes. Please call (541) 506-6041 in The Dalles or (541) 308-8243 in Hood River to sign-up. Class tuition: \$25
