5 REASONS TO CHOOSE CGCC

SPEND LESS, GET MORE

CGCC costs a fraction of the price of 4-year state or private schools.

FINANCIAL SUPPORT

CGCC awards more than $3 million in financial assistance annually. In 2020, CGCC students received over $180,000 in scholarships, and 75 percent of full-time students receive financial aid. Whether its grants, loans, scholarships, or work-study, CGCC has you covered.

SMALL=GOOD

Don't get lost in the system! Being a small school means we know your name. With an average class size of 16 students, you're never just a number or a dollar sign.

START HERE, GO ANYWHERE

Want to transfer? No problem! Save money by starting at CGCC, then transfer to your 4-year public or private school to finish your Bachelor's degree. You don't even have to wait until you graduate! Oregon and Washington high school students may qualify for Expanded Options (Oregon students) or Running Start (Washington students) and start college NOW!

LIVE HERE, LEARN HERE

Stay local, or come to one of the most beautiful places on Earth! The Columbia Gorge has something for just about everyone. Snow, water, mountains–we have it all. And, with CGCC's affordable on-campus housing, you can have a real college experience. cgcc.edu/housing
