

COLLEGE NOW

STUDENT/PARENT QUICK GUIDE

WHAT IS COLLEGE NOW?

College Now provides high school students with the opportunity to earn college credit through classes offered at their school. Qualified high school teachers work with CGCC to ensure that their class content meets college requirements.

WHY COLLEGE NOW?

College Now encourages success! Students who earn dual credit are 30% more likely to graduate high school than their peers.* Former dual credit students are 22% more likely to continue with college after their first term.

College Now also helps students save money. A typical 4-credit class can cost over \$400 in tuition, but College Now only costs \$60 per class, regardless of credits!

*HECC, Accelerated Learning in Oregon: Access and Impact, 2019.

BECOME A COLLEGE NOW STUDENT

If your school already offers College Now courses, your first step is to apply to CGCC at <https://www.cgcc.edu/apply>. Scroll down to **Other Applications** and select **Apply here ->** under Non Degree-Seeking Students.

REGISTER AND PAY

After applying, students will receive login information for the Student Portal at <https://my.cgcc.edu>. Here, students can register for classes by finding their teacher's name, school name, and course listing. For more information about registration, see the provided student guides at <https://www.cgcc.edu/college-now>.

FEES AND PAYMENT

Students can also pay for College Now fees on the Student Portal. While some schools cover College Now fees, many do not. You may also find that your school does not cover repeated classes or non-core classes. Ultimately, the student is responsible for College Now fees, so it is highly encouraged to speak to a counselor about potential costs and expectations.
