- Market Price & Supply Study (MPSS)
- Upcoming Trainings + CPR Classes

### CCP'S NEW PROFESSIONAL NAVIGATOR:

**Hi everyone, I'm Devon.**

I've spent my career in early childhood education as a classroom teacher, professional development facilitator, and now as the Professional Development Navigator with Child Care Partners.

My foundation as a Reggio Emilia-inspired educator shapes my belief that learners of all ages have brilliant ideas, skills, and expertise that actively shape our field. I look forward to bringing this perspective to the work of Child Care Partners, and to collaborate with our community's adult learners on achieving career goals through continuing education.

Beyond the classroom, you can find me tending to my flower garden, attempting a hobby in woodworking, or playing fetch with my Golden Retriever, Crouton.

Whether you're curious about programs or ready to explore next steps to enrollment- let's connect!

## Market Price & Supply Study (MPSS) 2026

**Your participation is important in the 2026 Market Price & Supply Study!**

Dear Early Educators,

We are happy to share that the Market Price & Supply Study (MPSS) will happen from **October 1st to December 31st, 2026**.

This study occurs every two years to understand Oregon's current child care prices and supply. In 2024 we had amazing engagement, and we are excited for your continued participation!

You will be asked to share information about your program in Find Child Care Oregon or through a survey. You can enter your information on your own or with help from your regional CCR&R.

The information you provide becomes a tool to help ensure families have equal access to child care. Oregon leaders use this data to understand child care in Oregon. The data is used to inform decisions about child care policies. These decisions include funding for the early learning system and setting subsidy rates.

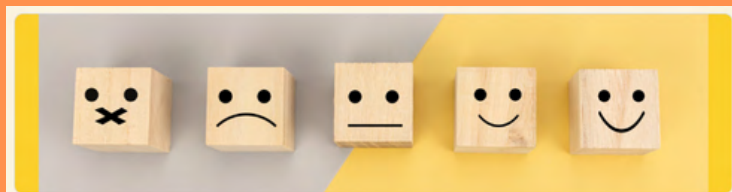

Rate information is not shared with parents, and is reported without identifiable program information.

Thank you for your time and participation,

Find Child Care Oregon at Western Oregon University, Oregon State University & Department of Early Learning and Care
